

PLANNING YOUR FINANCIAL FUTURE

Manage Your Life Less, Enjoy It More

MANAGE YOUR LIFE LESS, ENJOY IT MORE

The pace and complexity of managing finances today can leave some people feeling unprepared and uncertain about their financial future.

Our comprehensive financial planning can provide solutions that are customized to your objectives and capable of addressing a wide range of circumstances and concerns. We partner with you to better position you to pursue your financial goals and aspirations.

Our planning process will help you:

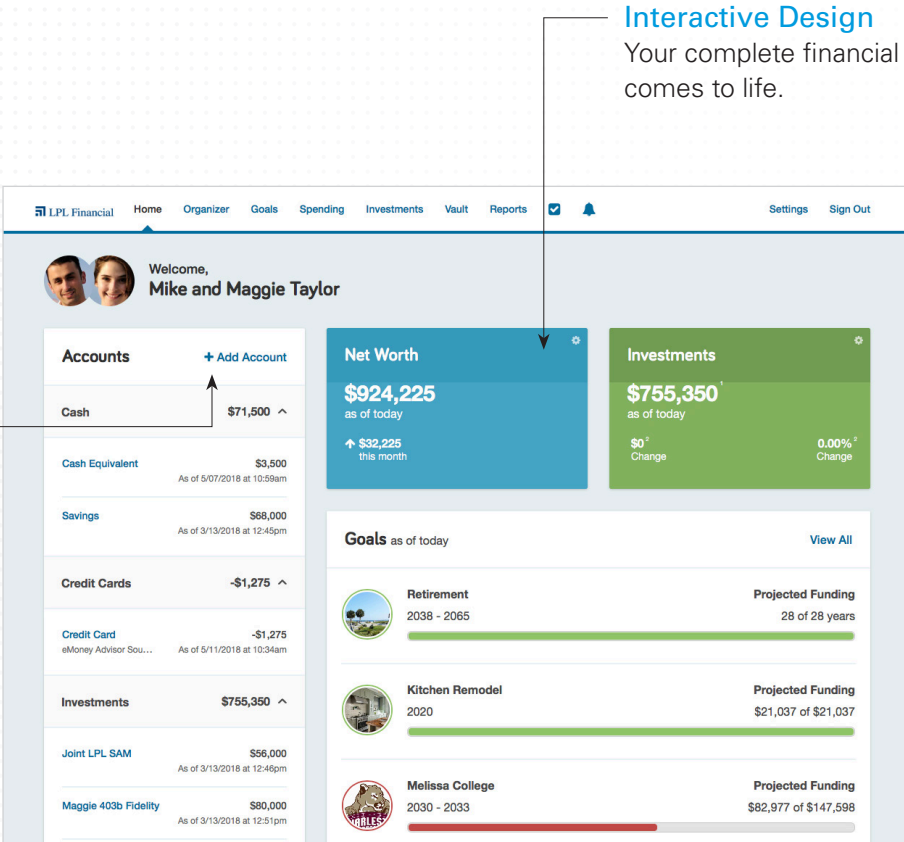

- Understand your finances from a holistic point of view.
- Create integrated strategies that take all your financial activities into account.
- Identify long-term goals and the steps needed to pursue them.
- Track your progress and make adjustments as you experience new life events.

We'll then use the WealthVisionSM platform to integrate your financial plan into a robust personal financial website. Its powerful engine can generate comprehensive financial planning analytics—calculating cash flow projections, modeling “what-if” scenarios, and generating alerts when adjustments may need to be made. You'll have access to budget tools, reports, educational materials, and storage for personal documents in one convenient and secure location.

YOUR PERSONAL FINANCIAL WEBSITE

Financial Connections

Easily connect all of your accounts in one place.

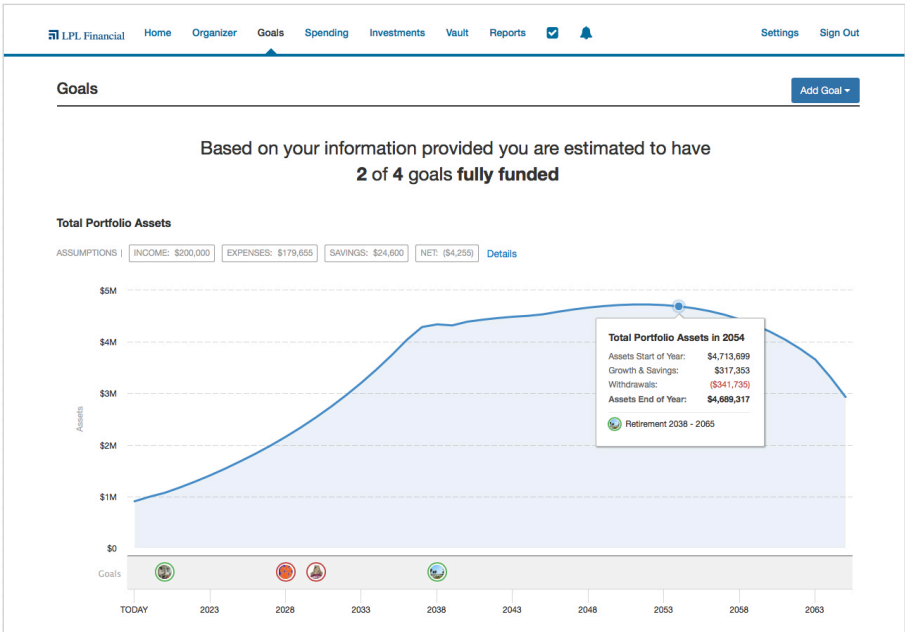

Interactive Design

Your complete financial picture comes to life.

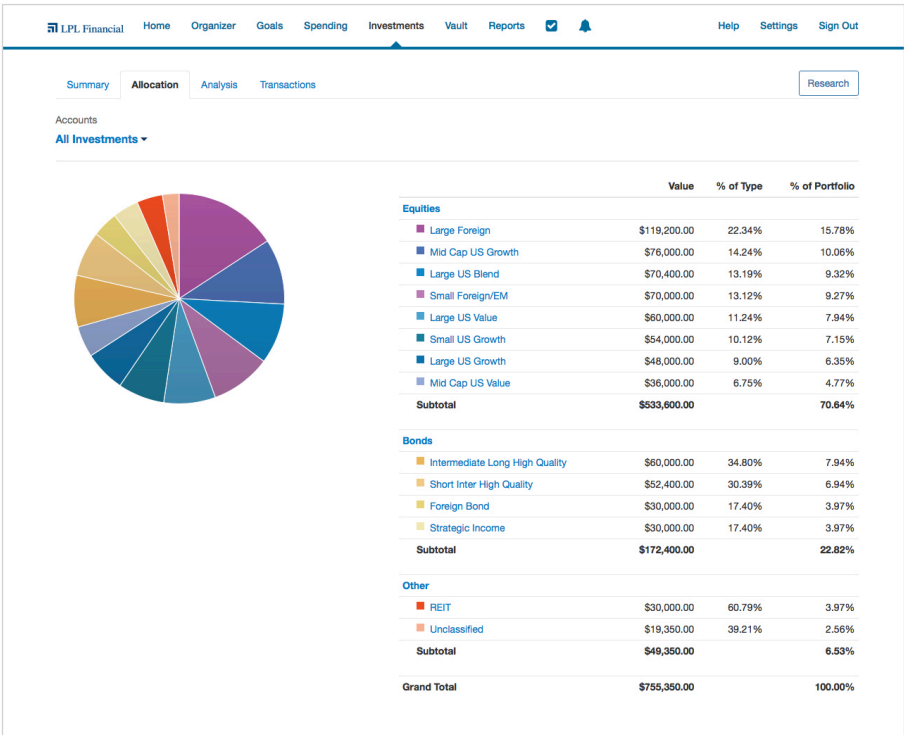

Goals

Track your progress toward various goals you would like to achieve.

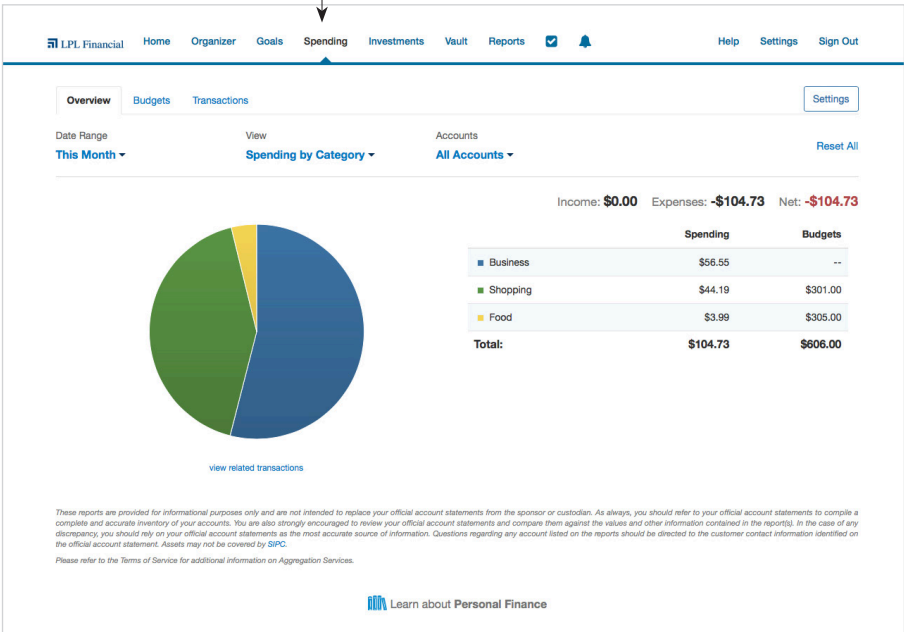

Investments Page

Interactive charts and detailed views provide a clear picture of accounts.

Budgeting Tools

Bank and credit card transactions import so you can see what you're spending. You can also create custom categories to track where your money is going.

ROBUST FEATURES ON A SECURE, MOBILE PLATFORM

The WealthVision client portal is designed to provide you with the robust features you need to stay connected to your finances, goals, and important documents. Your secure personal website is available via desktop or mobile, and it allows you to track your progress against the goals set by you and your financial advisor. And, perhaps most importantly, you never have to worry about your information being shared with online advertisers and other service providers.

Your client portal provides you with:

- **Tracking** of all net worth with asset and liability balances updated daily
- **Alerts** to keep you aware of significant transactions and changes in balance
- **Investment analysis** on all of your investment assets
- **A budget tool** to track and prioritize your spending
- **Reports** on net worth, cash flow, asset allocation, and more

You're just a click away from everything you need, whenever you want it, from wherever you are.

SIMPLIFY YOUR FINANCES. SPEND MORE TIME ON WHAT'S IMPORTANT

If you're looking to take the complexity out of managing your finances, it would be our pleasure to talk to you about how you can access your comprehensive financial picture today.

About LPL Financial

LPL Financial is one of the nation's leading financial services companies and a publicly traded company under ticker symbol LPLA. The firm's mission is rooted in the belief that objective financial guidance is a fundamental need for everyone. LPL does not offer proprietary investment products or engage in investment banking activities; this means advisors affiliated with LPL are not pressured or influenced by LPL to sell its products. Thousands of financial advisors nationwide are able to rely on the firm's tools and resources to help them provide financial guidance and recommendations to address their clients' needs. For more information about LPL Financial, visit www.lpl.com.

There is no assurance that a comprehensive financial plan will yield positive outcomes. The purchase of certain securities will be required to effect some of the strategies. Investing involves risks, including possible loss of principal. IMPORTANT: The projections or other information generated by WealthVision regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results, and are not guarantees of future results. Your results may vary with each use and over time.
